About Me:

I'm a self-taught web developer with a passion for building modern, responsive web applications using **Django** and **React**. My journey began with curiosity and has grown into a skill set that includes full-stack development, RESTful APIs, and clean UI design.

I love solving real-world problems through code and continuously learning new technologies. Whether it's creating dynamic dashboards, integrating backend logic, or deploying apps, I'm always up for the challenge.

When I'm not coding, I enjoy exploring open-source projects, reading about new tools, and helping others learn.

Technical Skills:

- Languages: JavaScript (ES6+), Python, HTML5, CSS3
- Frontend: React.js, Bootstrap,
- Backend: Django, Django Rest Framework, Node.js, Express.js
- Databases: MySQL, SQLite, MongoDB

PROJECTS

Blog Platform with Authentication

Tech Stack: Django, React.js, SQLite, Bootstrap

- Designed and implemented a Django REST API for blog CRUD operations and user authentication.
- Developed a React.js frontend for post creation, editing, and listing with dynamic routing.
- Integrated JWT authentication for secure login/logout between Django and React.
- Styled with Bootstrap to ensure responsive design for mobile and desktop devices.

Company Accounts and Store Management System

Tech Stack: Django, SQLite, Bootstrap

<https://mashsystems.pythonanywhere.com>

- **Frontend:** Built responsive, interactive UI using HTML, JS, CSS and Bootstrap.
- **Backend (API):** Developed in Django for real-time stock validation and gate pass creation accounts management including balance sheet, account statement etc.
- **Backend (Admin):** Implemented Django-based admin dashboard for managing products, categories, and user permissions.
- Integrated SQLite database for product data, Goods Receive Note (GRN), issue request, gate pass records, and user authentication and authorization.
- Added AJAX-based validations to prevent stock discrepancies during product issuance.

Portal Web App (brick-and-brush)

Tech Stack: React, Bootstrap

- <https://mazharrasheed.github.io/brick-and-brush>
- **Frontend:** Built responsive, interactive UI using HTML, JS, CSS and Bootstrap.

EDUCATION

Diploma of Associate Engineer (**Mechanical**).

Aggregate Marks in D.A.E. 68.6%. (2001)

Institute: Govt. Institute of Technology Gujranwala.

Matriculation

Aggregate Marks in Metric 65.4% (1995)

Institute: Govt. A.M.I High School No. 1 Gujranwala.

PERSONAL INFORMATION

Father's name:	Talib Hussain
N.I.C. NO.:	34101-2385838-5
Date of Birth:	(D/M/Y) 1/10/1979
Marital Status:	Married
Languages:	English, Urdu, Punjabi
Religion:	Islam
